To Whom It May Concern

Angus Durran

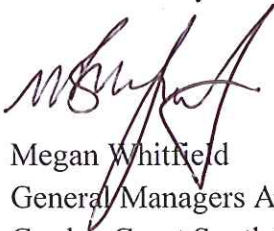

Garden Court South Beach has been dealing with Angus Durran for many years. As a 414 bedroom hotel which runs on very high occupancies we need reliable suppliers who can deliver quality products. Angus Durran has always fulfilled these requirements.

The packaging and the product are both environmentally friendly, which is also of extreme importance to us as an organisation, and to our guests.

It has been a great pleasure dealing with everybody at "Angus Durran" over the years, and I wish them all the very best in their future endeavours.

Please do not hesitate to contact me, should you need any further information.

Yours sincerely

Megan Whittfield
