TO WHOM IT MAY CONCERN

This letter serves to confirm that we have been customers of Angus Durran & co. for many years now. Their service is excellent, efficient and they always go the extra mile to ensure that we receive our product on time, even during the peak season periods.

Our guests have always had good comments regarding the fudge and some have even complained that they don't get enough. We really can recommend your fudge to everyone, as a special treat for guests.

You have always been environmentally conscious and this follows through to your product, using organic sugar & butter and recycled board in your packaging which in turn gets us green points.

We take this opportunity to thank you for your friendliness and excellence in every aspect regarding your business dealings and service with us. We are really impressed!
